

THDA LENDER NOTICE: #2026-32

September 11, 2026

SUBJECT: ALLREGS REMINDER

This is a reminder that you can now access our Originating Agents Guide, Lender Notices, and Lender Documents in AllRegs. Many of our partners already utilize AllRegs, and we are excited to provide a more streamlined and efficient way to access our program information.

Upcoming Website Changes

Please note that **effective October 1, 2026**, the following items will no longer be available on the THDA website:

- Lender Notices
- Lender Documents
- Originating Agents Guide

All materials will be maintained exclusively within AllRegs.

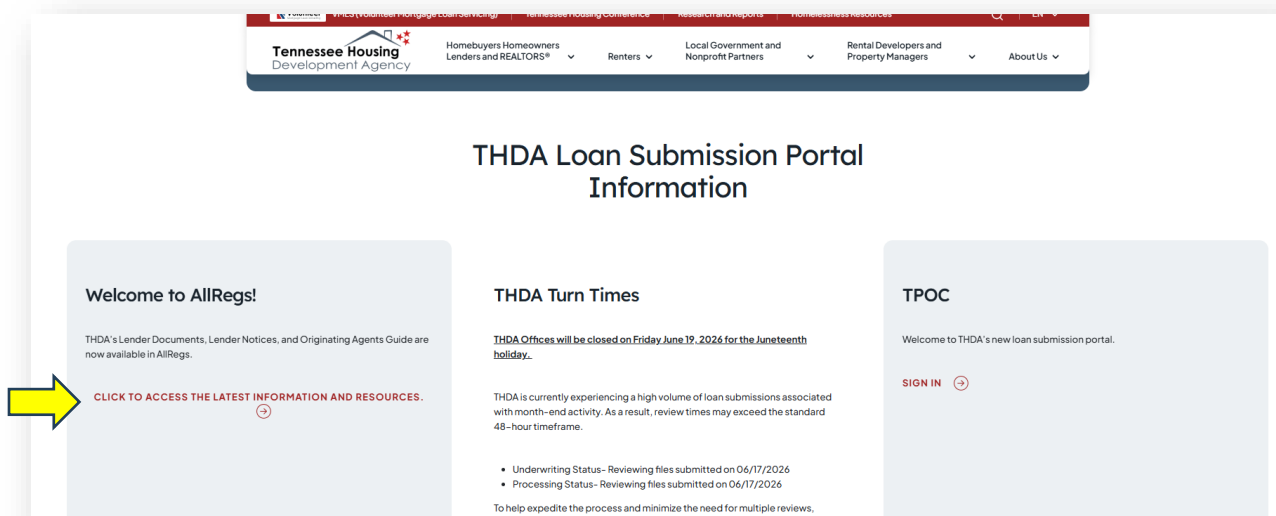

What If You Do Not Have AllRegs Access?

Partners without a current AllRegs subscription will still be able to view THDA materials through an external library link on our lender webpage.

To access:

- Scroll to the middle of the [Lender Page](#).
- You will see three boxes. See screenshot below.
- Click on the link in the first box that says Welcome to AllRegs!
- You will be prompted to enter your email address, and a secure access token will be sent to you.

We also encourage all partners to subscribe to THDA email updates within AllRegs to receive the latest lender notices, program updates, and announcements.

Questions may be directed to sfask@thda.org or 615-815-2100.
