Source: THDA tabulations of home sales data obtained from the Property Assessment Division, Comptroller's Office, State of TN.

*A number of methodological improvements have been made for 2019 data, and have also been made to the numbers for 2017 and 2018 for the sake of continuity.

These improvements reflect the inclusion of a) a handful of high-value transactions scattered across the state, b) additional modular home sales (built on a solid foundation, but not consistently included in prior years), also scattered across the state, and c) additional single family home transactions in Davidson, Hamilton, and Montgomery Counties.

These additional transactions increased the sales totals in Hamilton County by 0.2 percent, in Davidson County by 1.2 percent, and in Montgomery County by 3.2 percent. However, data were not available to make the retroactive adjustments for Montgomery County in years prior.
