**EVALUATION NOTICE FOR RFP 31620-00845
HUMAN RESOURCES INFORMATION SYSTEM SOFTWARE**

August 15, 2025

Thank you for your response to RFP No. 31620-00845. Tennessee Housing Development Agency ("THDA") has completed its competitive evaluation of all submittals in response to this Request for Proposal.

At this time, THDA is not able to award the contract to one of the responses received. There are several critical needs that could not be met by those respondents. THDA intends to continue its search for a suitable Human Resources Information System software provider.

We appreciate your interest in serving as THDA's Human Resources Information System software provider and hope that you will respond to future Request for Proposals.

Sincerely,
