

Exhibit B-2

Managing General Partner Change or Transfer of General Partner Interests

Instructions:

If you plan to identify a new managing General Partner of the Ownership Entity, provide THDA with information concerning the new General Partner 30 days prior to the transfer. Attach a copy of the amended and restated partnership agreement to this form. If you plan to transfer General Partner interests, provide THDA with the information 30 days prior to the transfer. Attach the new organizational chart, a copy of the amended and restated partnership agreement and any other documents related to the transfer. Upload this document into the THOMAS system with all other attachments.
